This conversion will take effect 30-days from the date of the letter to give the member ample time to act. Refer to the ESTATEMENT SERVICES section for more detail.

**YOUR LIABILITY FOR UNAUTHORIZED ELECTRONIC FUNDS TRANSFERS:** Tell us AT ONCE if you believe that your Access Code has been lost, stolen, or you believe that someone has transferred funds from your account without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account plus your maximum overdraft line of credit (if any). If you tell us within two (2) business days, you can lose no more than $50.00 if someone used your PIN without your permission. The Credit Union telephone number is (800) 826-6946 (Toll-Free). Our address is SAG-AFTRA Federal Credit Union, P.O. Box 11419 Burbank CA 91510. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

**IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS:** Call us or write us immediately at the telephone number or address described in the preceding section, if you think your statement is wrong (or shows transfers that you did not authorize) or if you need more information about a transfer. We must hear from you no later than 60 days after we send the FIRST statement on which the problem or error appeared. If you do not tell us within 60 days after the statement was mailed to you, you may not recover funds lost after the 60-day period if we can prove that the loss could have been prevented had you told us in time. In your letter: (1) Tell us your name and account number; (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and, (3) Tell us the dollar amount of the suspected error and the date it occurred.

If you notify us verbally, we may require you to send us your complaint or question in writing within 10 business days. We will tell you the results of our investigation within 10 business days of when you made your statement, and in any event, within 30 days of receipt of your complaint or question. If we cannot determine whether an error has occurred within 10 days, we will credit your account for the amount in question, and then complete our investigation within 90 days. If we decide to do this, we will provide the explanation in writing to you. If you believe that we cannot resolve the problem, you may request in writing that we refer the matter to a higher level at the Credit Union. If we have not received written notice of your objection to the credit, or decision of a higher level at the Credit Union, within 10 business days of our advice to you, then you may request in writing that we refer the matter to a third party for independent review. Our liability to you is limited to the amount of the transfer(s). Our liability to you is also limited to the amount you believed was missing.

**CHANGES IN TERMS OR CONDITIONS:** This Telephone Banking Service Agreement and Disclosure is subject to change to conform to changes in federal regulation and/or SAG-AFTRA Federal Credit Union policy, including changes in terms, conditions and fees. If such change(s) result in increased liability to you, a reduction in the Telephone Banking services, or stricter limitations on the frequency or dollar amount of transfers, we will notify you at least twenty-one (21) calendar days before the effective date of such changes, or as otherwise permitted by law. Any notification, required or appropriate, will be mailed to you and will be considered given when placed in the United States mail, postage prepaid, and addressed to you at your current address as it appears on our records.

BILL PAY SERVICE

This Bill Pay Service Agreement and Disclosure provides you with the terms and conditions in which the SAG-AFTRA Federal Credit Union Bill Pay Service is provided along with “Frequently Asked Questions”. In this Bill Pay Service Agreement and Disclosure the terms “you”, “your” and “yours” mean the member Account Owner that has signed up for the Bill Pay Service. The terms “we”; “us”; “our”; “ours”; “Credit Union” and SAG-AFTRA FCU each refer to and mean SAG-AFTRA Federal Credit Union. The term “Agreement and Disclosure” means this Bill Pay Service Agreement and Disclosure. “Payment Account” means the checking account from which funds are debited to make your Bill Pay payments.

AGREEMENT AND DISCLOSURE TERMS AND CONDITIONS:

Availability and Delivery of Bill Pay Service Agreement: This Bill Pay Service Agreement and Disclosure (the “Agreement and Disclosure”) is available for viewing on-line at any time, and can be downloaded or printed using your computer and a printer. All Bill Pay service subscribers agree to the electronic availability and delivery of the Agreement and Disclosure, and further understand and agree that paper (non-electronic) copies of the Agreement and Disclosure are available from the Credit Union upon request.

Hardware/Software Requirements: To access our Internet Banking, Bill Pay and eStatement services you can use a Personal Computer (PC) running any current version of Windows at or above Windows 98 (for added security Windows 2000 and up are recommended). You are responsible for any and all telephone access fees and/or Internet service fees that may be assessed by your telephone and/or Internet Service Provider. There is, however, a fee to stop payment on PAPER CHECK payments (see “Edit, Cancellation and Stop Payment” below).

Transaction Limits: Because Bill Payments can only be debited from your SAG-AFTRA Federal Credit Union Checking Account, there is no limit on the amount or number of transfers you can make from your Checking Account to make your Bill Pay payments, subject to the availability of collected funds in your Checking Account.

Payment Scheduling: You agree to schedule the payment date for Electronic Payments to occur at least 4 business days before your actual payment due date. You agree to schedule the payment date for Paper Checks to occur at least 7 business days before your actual payment due date.

Liability For Failure to Make Payment: We shall make all reasonable efforts to make all your payments properly and timely. However, the Credit Union shall incur no liability if it is unable to complete any payment initiated by you through the Bill Pay service because of the existence of any one or more of the following circumstances:

1. If, through no fault or ours, your Payment Account does not contain sufficient available funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account or other overdraft protection arrangement with us;
2. The Bill Pay service is not working properly and you know or have been advised by us about the malfunction before you execute the transaction;
3. The Payee mishandles or delays a payment sent by the Bill Pay service;
4. You have not provided the correct name or account information for the Payee;
5. Your failure to use the system correctly; or
6. Circumstances beyond our control (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and we have taken reasonable precautions to avoid these circumstances.

Provided none of the foregoing six (6) exceptions are applicable, if we cause an incorrect amount of funds to be removed from your Payment Account or cause the funds from your Payment Account to be directed to a Payee which did not comply with your Payment Instructions, we shall be responsible for returning the improperly transferred funds to your Payment Account and for directing to the proper recipient any misdirected transactions.

Edit, Cancellation and Stop Payment: You may edit or cancel any pending payment (including recurring payments) by following the directions within the service application. There is no charge for editing or canceling a pending payment. We are not able to stop an ELECTRONIC PAYMENT once payment has been made. Call us at (800) 826-6946 during regular business hours to place a Stop Payment on a PAPER CHECK or visit one of our branch locations. Stop payment requests sent to us via electronic mail are
not acceptable. If you call, we may also require you to present your request in writing within fourteen (14) calendar days after your call. Your Access Codes are confidential and should NOT be disclosed to others or recorded on documentation or records located on or around your personal computer. You are responsible for the proper safekeeping of your Access Codes. You agree not to disclose or otherwise make your Access Codes available to anyone not authorized to sign on your Credit Union account(s). If you authorize anyone to use your Access Codes, that authority shall continue until you specifically revoke such authority by changing your Access Codes or by notifying the Credit Union to change your Access Codes on your behalf or discontinue your Bill Pay Service.

You understand that if you release your Access Codes to anyone, or request that the Credit Union issue Access Codes to anyone else, you have authorized that individual to transfer funds from any of your Credit Union account(s) which can be accessed using the Access Codes, including the capability to make Bill Payment funds transfers to third parties, regardless of whether that person is authorized to transfer or withdraw funds from the account(s) by any means other than by use of the Internet Banking service. If you fail to maintain security of your Access Code and the Credit Union suffers a loss, we reserve the right to terminate the Bill Pay service as well as other Credit Union deposit and loan services. The Internet Banking service provides the capability for you to change your Access Code. To help safeguard your security, you should change your Access Code frequently. If you forget your Access Codes or your system access is disabled due to the use of an incorrect Access Code, or IF YOU BELIEVE THAT YOUR ACCESS CODE HAS BEEN LOST OR Stolen OR THAT SOMEONE MAY ATTEMPT TO USE THE SERVICE WITHOUT YOUR CONSENT OR HAS TRANSFERRED MONEY WITHOUT YOUR PERMISSION, CONTACT SAG-AFTRA FEDERAL CREDIT UNION IMMEDIATELY AT 1-800-826-6946. If you tell us within two (2) Business Days after discovering your Access Codes have been lost or stolen and someone uses your Access Codes and accesses your Payment Account without your permission, you can lose no more than $50. If you do not tell us within two (2) Business Days after you learn of the loss or theft of your Access Codes and it can be proven that the Credit Union could have prevented the unauthorized use of your Access Codes and access to your Payment Account had you notified us, you could lose as much as $500. Also, if your monthly statement reflects payments that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you could lose any amount transferred without your authorization after the sixty (60) days, if we can prove that we could have stopped someone from taking/transferring the funds had you told us in time. If a good reason [such as a long trip or hospital stay] prevented you from telling us, we may extend the time period. Telephone SAG-AFTRA Federal Credit Union at (800) 826-6946.

We will tell you the results of the investigation within ten (10) Business Days after we hear from you, and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate the complaint or question. If we decide to do this, we will credit your Payment Account within ten (10) Business Days for the amount you think is in error, so that you may have use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) Business Days, we may not credit your Payment Account. If we determine there was no error, we will send you a written explanation within three (3) Business Days after we complete our investigation. You may ask for copies of documents that we used in our investigation. We may revoke any provisional credit provided to you if we find that an error did not occur.

Termination or Discontinuation of Service: If you wish to cancel your Bill Pay service simply select the "Unenroll" option under the Bill Pay menu heading. If at any time during any consecutive 90-day period you do not utilize the Bill Pay service, we will terminate your Bill Pay service and you will need to re-enroll if you wish to later utilize the service. Further, the Credit Union may discontinue or terminate your Bill Pay service at any time. Neither termination nor discontinuation of the Bill Pay service shall affect your obligations under this Agreement and Disclosure for payments made or services provided.

Your enrollment in the Bill Pay service may not be fulfilled or may be terminated by us if we are unable to verify your identity or obtain other information we require in connection with Credit Union membership.

Confidentiality: We will disclose information to third parties about your account or the transfers you make: [1] Where it is necessary for completing transfers; [2] In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; [3] In order to generate your periodic account statement; [4] In order to comply with government agency or court orders; or, [5] If you give us your permission.

Governing Law: This Agreement and Disclosure shall be governed by and construed in accordance with the laws of the State of California, United States of America, without regard to its conflicts of laws provisions.

FREQUENTLY ASKED QUESTIONS ABOUT BILL PAY:

What are the types of payment, and when are transactions processed? There are two types of payment – PAPER CHECK and ELECTRONIC PAYMENT. PAPER CHECKS are printed and mailed and will clear your account just as if you wrote the check out of your checkbook and mailed it yourself. ELECTRONIC PAYMENT information is sent to Princeton eCom. Princeton eCom sends electronic payments to the payees on the same day they are processed.

All Bill Pay payments are processed twice a day. The first processing begins at 12:00 Midnight PST (Pacific Standard Time), and the 2nd processing begins at 10:00 a.m. PST. Any payments entered after the 12:00 Midnight and before the 10:00 a.m. PST are processed for payment the same business day. Any payments entered after 10:00 a.m. PST are processed for payment on the following business day.

How long does it take a payment to reach the payee? For an ELECTRONIC PAYMENT, allow 3 to 4 business days from when the payment is submitted.

For a PAPER CHECK payment, allow 5 to 7 business days. The check will be mailed the same day if the payment is submitted before the 12:00 Midnight PST processing. If the PAPER CHECK payment is submitted after the 12:00 Midnight PST processing and is processed at 10:00 a.m. PST, the check will be mailed the following morning. (Just a note – we have no control over the U.S. Postal Service.)

What are business days? Business Days are any day that is not a weekend or holiday.
How are Holidays and weekends handled?
Bills do not get paid on holidays or weekends. If a SCHEDULED bill payment falls on a holiday or weekend, it will be paid on the Friday BEFORE the weekend, or the last business day BEFORE the holiday.

How long does a member have to add, delete, or edit a payment?
You can add, edit, or delete a payment up to 12:00 Midnight PST for the 1st processing, and up to 10:00 a.m. PST for the 2nd processing, on the day the payment is sent.

How far in advance can a payment be set up?
Currently, a recurring scheduled payment can be set up in advance to any date in the future. A one time payment can be set up to be sent 5 years in the future.

How many payees are members able to set up?
There is no limit to the number of payees a member can have.

Can an existing payee that is already set up be edited?
The only thing that can be edited on an existing payee is the alias name on the account, and the account number. If the member wants to change anything else, the payee must be deleted and re-entered.

Who, if anyone, are members not allowed to pay?
Members cannot send an electronic payment to a payee that is not in the electronic database. Payees are not verified for check payments.

What is the maximum payment amount?
Electronic payments are validated against the account balance prior to processing, and check payments settle against the member’s account like any other check, therefore, there is no dollar limitation on payments made through Bill Pay. The member is limited only by the amount of available funds in their account.

Can members place stop payments for bill pay checks?
Yes. After the check is printed and mailed, the payment history will show the check number for that payment. A Stop Payment Order must be placed in the same manner as that required for a regular check written out of the member’s checkbook.

Can an electronic payment be deleted once it has been processed?
No. Princeton eCom does not delete electronic payments. Once the payment is submitted, it will be processed. It will then be up to the member to contact the payee for a refund, or ask the Credit Union to submit a claim through Princeton eCom.

When do funds for payments debit the member’s account?
For an ELECTRONIC PAYMENT, funds are debited the same day that the payment is sent, if the payment is sent before 10:00 a.m. PST. Electronic payments submitted after 10:00 a.m. PST are debited the next day during bill pay processing. PAPER CHECK payment funds are debited from the member’s account when the check clears the account.

Are paper checks drawn against the member’s account mailed to the payee?
Yes. All paper checks issued through Bill Pay are encoded just as if they were a check from the member’s own checkbook. The signature line on the check is usually printed as ‘Signature on File’, or ‘As Authorized by Accountholder’. The paper checks are printed and mailed by a third-party company that agrees to maintain the confidentiality of all such payment information.

What will happen if a member does not have sufficient funds for a payment?
PAPER CHECK payments are received by the Credit Union just like a regular check. They are handled in the same manner as a check written out of the member’s checkbook against an insufficient balance. ELECTRONIC PAYMENTS are verified for funds availability during processing. If the funds are available, the member’s account is debited for the payment, and the payment information is sent to Princeton eCom. If the funds are not available with the 12:00 Midnight PST processing, Princeton eCom will try again at the 10:00 a.m. PST processing. The member will receive a message after processing informing him/her that the payment could not be processed due to insufficient funds. The payment will continue to be attempted until either the member has the funds to let it go through or the member deletes the payment.

How long will payment history be viewable online?
Payment history for active and deleted payees is retained and viewable for 18 months.

Fees and Charges: There are no fees or charges for the eStatement Service; however, see below for charges relating to Obtaining Paper Copies of Statements.

Obtaining Paper Copies of Statements: You have the right to request and receive a paper copy of your member account statement from us. To do so, telephone our Member Service Center at (800) 826-6946. There is a charge of $1.00 per page to receive a paper copy of your member account statement in accordance with our Fee Disclosure.

When eStatements Are Available: If you have a Checking Account, Money Market Account, Young Performer Cash Account, Teen Access Account, or Health Savings Account, if you have a loan with us (excluding mortgage loans serviced by Varris Mortgage), or if you have any electronic fund transfers on your account for the statement period, your eStatement will be generated monthly; otherwise, your eStatement is generated quarterly. Your eStatement will generally be available to you within five (5) business days following the statement period. We will send you an email informing you of the availability of your eStatement on our secure internet website.

Your Rights and Responsibilities: It is your duty and you agree to exercise reasonable care and promptness in the examination of all periodic member account statements (your eStatements) submitted to you by us, to discover any errors, unauthorized transactions or alterations on any items charged to your account, and to notify the Credit Union promptly after discovery. Your failure to discover and/or report errors or unauthorized transactions within the time limitations set forth below will constitute a breach of your duty hereunder and preclude any claims for loss resulting from such failure:

- **Paper Checks and Drafts** – no later than 30 calendar days after we sent or made available the statement on which the transaction is first reflected.

- **Electronic Check/Draft Conversions** – no later than 60 calendar days after we sent or made available the statement on which the transaction is first reflected; however, if the transaction was originally processed as a paper check or draft, it was returned unpaid, and subsequently re-presented as an electronic check conversion, the period is not later than 30 calendar days after we sent or made available the statement on which the transaction is first reflected.

- **Substitute Checks** – no later than 40 calendar days after we sent or made available the statement on which the transaction is first reflected, whichever is later.

- **ACH Debit Entries – Personal Ownership Accounts** - no later than 60 calendar days following the original date of the transaction; **Business Ownership Accounts** – no later than one (1) business day following the original date of the transaction.

- **ATM, POS and Other Electronic Fund Transfers** – no later than 60 calendar days after we sent or made available the statement on which the transaction is first reflected.

Electronic Check / Draft Conversion: You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases and to pay bills. This is referred to as an Electronic Check Conversion. When you provide information on your personal check (such as the MICR encoded routing, account and serial numbers) to a merchant or other payee, regardless of whether the check is in blank, partially completed, or fully completed and signed, and regardless of whether the check is presented in person or mailed to the merchant or other payee or sent to a lockbox or whether the check is retained by the merchant or other payee or returned to you, if the information from that check is converted to an electronic fund transfer (or “EFT”) to debit the funds from your account, that electronic fund transfer is covered under the provisions and protections of the Electronic Funds Transfers Act. Merchants who make use of electronic check conversion are required to notify you of their intention to do so at the time you give them your check. When we receive these items in electronic form, we will debit them against your account the same as if we had received the actual paper check.

Substitute Checks: A substitute check is an electronic image of the original paper check or draft. The check image is then electronically transferred for collection purposes. These electronic images are known as “substitute checks”. The electronic conversion from paper to “substitute check” permits quicker processing of checks by sending them electronically from financial institution to financial institution for collection. This means that substitute checks will clear faster than did your paper checks or drafts. We accept and process incoming substitute checks to your account, and generate substitute checks from original paper checks and drafts for outgoing collection. This means that checks that you write and checks that you deposit may be converted to substitute checks.

The Credit Union's retention of your checks does not alter or waive your responsibility to examine your statements or the time limits for notifying us of any errors. The statement will be considered correct for all purposes and we will not be liable for any payment made or charged to your account unless you notify us in writing within the above time limitations. If you fail to receive a periodic statement you agree to notify us within fourteen (14) days of the time you regularly receive a statement.
Other News and Benefits Information: When you sign up for eStatements we will also occasionally send you emails containing information on products and services that we feel may be of interest to you. You can discontinue receipt of these emails at any time without losing your eStatement Service by simply unsubscribing using the link located at the bottom of the email.

Retention of Documentation: All eStatements, Tax Documents and Notices will be retained on our internet website for a period of 24 months.

Cancellation: To cancel your eStatement Service simply select the "Unenroll" option under the eStatement menu heading.

Other Means of Contact: You can contact us via our website with questions. You can also telephone us at (800) 826-6946 between 8:00 a.m. and 5:00 p.m. PT Monday through Thursday and 8:00 to 6:00 p.m. Friday if you have any questions or if you wish to change your email address or cancel your eStatement Service. You can also change your email address with us or cancel your eStatement Service by visiting any of our branch locations.

Confidentiality: We will disclose information to third parties about your account or the transfers you make: (1) Where it is necessary for completing transfers; (2) In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; (3) In order to generate your periodic account statement; (4) In order to comply with government agency or court orders; or (5) If you give us your permission.
